SECTION I: The Relationship from Bill's Point of View

Hillary Rodham's Sun in Your First House

There's a strong, mutual attraction between you and Hillary Rodham. She sees you as a kindred spirit, and you respond strongly to her energy and vitality. Her very presence invigorates you and encourages you to express yourself. There may also be a strong, physical attraction between you.

Hillary Rodham's Moon in Your Sixth House

Hillary Rodham is responsive and helpful to you in your work, and she may encourage you to pay more attention to your dietary habits and health. She is affected by your work habits and how well you take care of yourself.

Hillary Rodham's Mercury in Your Second House

Hillary Rodham can offer you good advice on how to handle your finances and personal assets. You should be careful not to represent her ideas as your own. You may provide her with financial support for the implementation of her plans.

Hillary Rodham's Venus in Your Second House

Your material or financial circumstances are likely to improve through your relationship with Hillary Rodham. She eases your way as an expression of her affection. You enjoy giving each other gifts of personal significance or beauty.

Hillary Rodham's Mars in Your Eleventh House

Hillary Rodham doesn't get along well with your friends. They find her too aggressive or disruptive. She may not share some of your interests, or she may pressure you to be more goal-directed in pursuing them.

Hillary Rodham's Jupiter in Your Second House

Hillary Rodham encourages you to use your personal and financial resources in ways you might not on your own. Though you may spend more money than usual, you often benefit in the end. She is very generous with you.

Hillary Rodham's Saturn in Your Eleventh House

Your time with Hillary Rodham is usually spent alone, rather than in the company of others. Your friends may find her disapproving or austere. Your shared interests tend to be of a serious nature.

Hillary Rodham's Uranus in Your Ninth House

Your experiences with Hillary Rodham cause you to rethink many of your long-held values and beliefs. The way you view the world may change as a result of your relationship with her.

Hillary Rodham's Neptune in Your First House

The way you approach the world and express yourself is subtly affected by the way Hillary Rodham romanticizes you. She finds your style and appearance compelling and mysterious. You don't know quite how to react to this, and may behave more tentatively in her presence.

Hillary Rodham's Pluto in Your Eleventh House

There may be some drastic changes in your social sphere as a result of your relationship with Hillary Rodham. She may pressure you to end certain friendships. Your relationship with her may end suddenly.

Your Sun Square Hillary Rodham's Mercury

Communication problems can make discussions between you unproductive. Hillary Rodham may regard you as too ego-involved with regard to ideas, and you may find her communication style to be patronizing or insulting. Your relationship may suffer from frequent misunderstandings.

Your Sun Square Hillary Rodham's Jupiter

While you may enjoy being together, you have a tendency to encourage over-confidence, extravagance, and irresponsibility in each other. You sometimes may feel taken for granted by Hillary Rodham, or find her over-blown and preachy. She sometimes may find you self-centered and lacking in perspective.

Your Sun Conjunct Hillary Rodham's Saturn

Hillary Rodham imposes restrictions and responsibilities on you which may dampen your self-confidence and impede your efforts to achieve basic goals. She wants you to be more patient, disciplined, and cautious. Your relationship has a serious tone.

Your Sun Sextile Hillary Rodham's Uranus

Hillary Rodham's originality helps you to be more creative and successful, and you encourage her uniqueness and individuality. You inspire and energize each other without competition. You're drawn to each other, and may have felt an immediate attraction.

Your Moon Sextile Hillary Rodham's Moon

Your emotional rapport and compatible ways of responding would make it easy for you to live together. You understand each other's feelings, and instinctively know what the other needs.

Your Moon Opposition Hillary Rodham's Mercury

You regard Hillary Rodham as too analytical and insensitive to your feelings, and she finds you overly emotional and difficult to talk things over with rationally. There may be frequent misunderstandings and hurt feelings between you.

Your Moon Opposition Hillary Rodham's Venus

If there is a romantic attraction between you, it may be troubled or one-sided. Hillary Rodham can be unsympathetic towards your feelings, causing you to feel dismissed and unloved. She may regard you as excessively emotional or clingy, and you may see her as shallow.

Your Moon Square Hillary Rodham's Saturn

Hillary Rodham's lack of sympathy towards your feelings and dependency needs damages your self-image, and can make you feel depressed. She experiences your emotionalism as a weakness that threatens her security. Her pursuit of business goals or other responsibilities can make you feel neglected and insecure. You often feel harshly judged and coldly treated, and you make her feel guilty.

Your Mercury Sextile Hillary Rodham's Neptune

You have an intuitive understanding of each other, and can communicate without speaking. You're able to put Hillary Rodham's fantasies and dreams into words, and she inspires your imagination and creativity.

Your Venus Sextile Hillary Rodham's Mars

Your grace and social skills encourage Hillary Rodham to express her impulses and desires in a gentler manner, and really attract her to you. Her energy and enthusiasm encourage you to be more outgoing, and inspire your affection. There is a strong sexual attraction between you.

Your Venus Conjunct Hillary Rodham's Neptune

Hillary Rodham's gentleness evokes a spiritual love in you, and your affection and caring draw her out. You are extremely sensitive and tuned in to each other, and your relationship has an almost mystical quality. You give to one another with tenderness and compassion, and without thought of yourselves. Your relationship is highly romantic and idealistic.

Your Venus Sextile Hillary Rodham's Pluto

Your relationship has a special intensity, and you're powerfully attracted and drawn to each other. Your affection evokes Hillary Rodham's deepest longings, and the power of her personality is compelling to you. Your relationship is uniquely satisfying for her, and may have a transforming effect on the way you relate to others.

Your Mars Conjunct Hillary Rodham's Neptune

You may find Hillary Rodham both strangely compelling and incredibly frustrating. Her elusiveness may sometimes cause you to wonder whether she is always totally honest with you. You may see her as a passive dreamer, and she may regard you as insensitive and overly aggressive. She can influence you to take a less direct and aggressive approach to achieving objectives, and you can help her to put dreams and fantasies into action. You may enjoy dancing together.

SECTION II: The Relationship from Hillary Rodham's Point of

Bill's Sun in Your Ninth House

Bill encourages you to expand your points of view, and can affect your personal philosophy and moral values. He may introduce you to new places or new ways of thinking. Your knowledge and open-mindedness enable him to grow and fulfill his potential. You enjoy long discussions together, and would make good travel companions.

Bill's Moon in Your Sixth House

Bill is responsive and helpful to you in your work, and he may encourage you to pay more attention to your dietary habits and health. He is affected by your work habits and how well you take care of yourself.

Bill's Mercury in Your Ninth House

You expand Bill's intellectual horizons and provide much food for thought and discussion. He, in turn, shares interesting facts and information with you. You would enjoy traveling together.

Bill's Venus in Your Eleventh House

Bill's affection inspires your warmth and consideration, and you share many mutual interests. You're good friends, and enjoy spending time together in the company of others. You might feel a little confined if he were too possessive.

Bill's Mars in Your Tenth House

Bill encourages you to be more aggressive in pursuing your career goals. While you admire his ambition and energy, you feel he is sometimes overly aggressive or impulsive.

Bill's Jupiter in Your Eleventh House

You could make many new friends through your association with Bill. He may introduce you to new intellectual or humanitarian interests, along with people who share those interests. You enjoy spending time with Bill and those you meet through him.

Bill's Saturn in Your Ninth House

Bill challenges your personal philosophy and ideals, and encourages you to be practical and logical in your views and long-term goals. He disapproves of pie-in-the-sky ideas, and positions not supported by the facts. You may find him close-minded and overly conservative.

Bill's Uranus in Your Seventh House

Although you find Bill's independence intriguing, his unwillingness to sacrifice personal freedom for the sake of your relationship may introduce a note of instability in a partnership between you. Your relationship with him may cause some disruption in other partnerships in your life.

Bill's Neptune in Your Eleventh House

Bill and you spend much time alone together, and your relationship with him may create some confusion or misunderstandings in your social sphere. The interests you share with him may be somewhat impractical, unfocused, or idealistic.

Bill's Pluto in Your Ninth House

Bill and you could have some intense disagreements over your respective ways of viewing the world. He may try to force his views on you. Your relationship with him can have a transforming affect on your personal philosophy and moral values.

Your Sun Square Bill's Saturn

Bill impedes your efforts to achieve basic goals. He may feel jealous or envious of you and deliberately block your way, or he may regard you as egocentric or conceited, or he may lack respect for you or your basic goals. Bill can seriously dampen your self-confidence, and you often feel squelched by him.

Your Moon Sextile Bill's Moon

Your emotional rapport and compatible ways of responding would make it easy for you to live together. You understand each other's feelings, and instinctively know what the other needs.

Your Moon Square Bill's Uranus

You often make each other feel nervous and irritable. Bill may find you too security-minded and attached to old habits, while you are rattled by his eccentricity and unpredictability. Despite an initial attraction, your relationship may be volatile and unstable.

Your Venus Square Bill's Pluto

Your manner of expressing affection evokes Bill's deepest longings, which may cause him to try to control or own you. While his intensity is compelling to you, you also may feel oppressed by it. There may be an especially intense sexual attraction between you.

Your Mars Conjunct Bill's Pluto

You energize each other, and there is likely to be a strong sexual attraction between you. The combination of Bill's willpower and your enthusiasm enable you to accomplish a great deal together. He can have a transforming effect on your style of action, influencing you to be more subtle and less impulsive. Attempts by either of you to direct or coerce the other's behavior will be met by intense resistance.
